SKILLS

C   C++   Java   Python   HTML   JavaScript
CSS   Linux   SQL   Git   Odoo   SAP

PERSONAL PROJECTS

Natural Language Library (01/2022 - 03/2022) ↗
- Our aim is to create a python library in regional languages .. People from different places and of different languages will be able to learn Python programming and can do their work in this language. Through this project we will ensure that English is not really required for knowledge. Even children having interest in coding can easily understand and learn this with no issues.

CERTIFICATES

SAP Certified Development Associate - ABAP with SAP NetWeaver 7.50 (09/2020 - 04/2021) ↗
The "SAP Certified Development Associate - ABAP with SAP NetWeaver 7.50" certification exam verifies that the candidate possesses foundational knowledge in the area of ABAP Development. This certificate proves that the candidate has a fundamental understanding within the Development Consultant profile and is able to apply the associated prerequisite skills practically under supervision of an expert consultant in a project environment.
