Achievements/Tasks

- Recruited employers to participate in the college's job fair.
- Screened candidates' resumes and cover letters to identify those who were qualified for open positions.
- Tracked the placements of students to ensure that they were finding jobs that were a good fit for their skills and interests.

Founding member

Fresher Got Job

09/2022 - Present

Odisha

Fresher Got Job is a **Non-profit organization** that helps **freshers** and **experienced candidates** find their dream job.

Achievements/Tasks

- We share the latest job updates from a variety of industries, and we also offer resources and advice on how to improve your job search through (LinkedIn, Naukri, Glassdoor). Whether you're just starting out or you're looking for a new challenge, Fresher Got Job can help you find your next great opportunity.

SKILLS

Researching companies

Networking

Microsoft Office (Word, Excel, PPT)

Job Support

Data analysis

PERSONAL PROJECTS

Natural Language Library (01/2022 - 03/2022)

- Our aim is to create a python library in regional languages.. People from different places and of different languages will be able to learn Python programming and can do their work in this language. Through this project we will ensure that English is not really required for knowledge. Even children having interest in coding can easily understand and learn this with no issues.
