SUMMARY

As a recent graduate with a Master's degree in food science and technology, I am eager to begin my career in the food industry. During my internship, I gained valuable experience in food safety regulations, quality control, and laboratory procedures. I am eager to apply my knowledge and skills to contribute to a dynamic and innovative team in the food industry. I am a quick learner, adaptable, and possess a strong work ethic. I am passionate about the food industry and am committed to pursuing a career in this field.

EXPERIENCE

09/2022 to 09/2022

Food Analyst Intern

FOOD DRUG AND ADMINISTRATION (FDA) - MUMBAI, INDIA

procedurescontaminating raw materials.

- Ran standardised tests to identify chemical, physical or microbiological features of materials for scientific studies.
- Interpreted scientific results and ran calculations to assist food analyst with forming verifiable conclusions.
- Monitored experiments, made observations and recorded results for project work.

05/2022 to 06/2022

INTERN

PANAMA - NAVI MUMBAI, INDIA

- As an intern in Quality Control and Quality Assurance at Panama Foods, I was responsible for ensuring that the company's food products meet the highest standards of quality and safety.
- My day-to-day tasks included conducting sensory evaluations of products, inspecting raw materials and finished products, verifying adherence to HACCP (Hazard Analysis and Critical Control Points) standards, maintaining documentation of quality control activities, identifying and investigating quality issues, working with production and other teams to resolve them, and implementing corrective actions as needed.
- Registered information on database to preserve accurate details.
- Shadowed daily activities of office staff to gain understanding of scope of work.
